SOUTH PARK NATIONAL HERITAGE AREA:
PREPARING FOR REAUTHORIZATION: Status / Best Practices / Scenarios

**** South Park National Heritage Area will sunset in 2024 ****

An evaluation is required by law
EVALUATION

NPS hires an independent contractor to evaluate the progress of SPNHA via a report Evaluations are conducted using NPS guidance Under legislative requirements, evaluations are conducted 3 years prior to sunset Evaluations address 3 main questions:

1. Based on the authorization and management plan, has the NHA achieved its proposed accomplishments?
2. What have been the impacts of investments by Federal, State, Tribal and local governments and private entities?
3. How do the NHA management’s structure, partnership relationships and current funding contribute to its sustainability?

STATUS OF EVALUATION

Currently, the NPS lacks sufficient program funding to complete pending NHA evaluations NPS is prioritizing NHAs that have legislation requiring evaluations as funding becomes available Even with an evaluation, reauthorization is not guaranteed

WHAT DOES SUNSET MEAN?

No law in place to authorize an appropriation – therefore No New Federal funding If an NHA sunsets, it must spend all remaining prior-year funding and complete all existing task agreement scopes of work We would retain the NHA designation NPS technical assistance would no longer be available

WHAT CAN WE DO?

Just like designation, reauthorization is a political process Board involvement is critical and necessary to the reauthorization process Board members must leverage their community involvement and partnerships to garner public support

SPNHA’S PLAN FOR REAUTHORIZATION

• Establish a reauthorization/Evaluation committee**
• Document successes, projects, partnerships
• Organize records (project and financial)

DEVELOP AN ACTION PLAN

• Establish a board committee & hold regular meetings.
• Develop an overall vision and strategy via an action plan.
• Set accountability benchmarks/timeline for your progress.
• Establish clear Board and Staff roles.
• How will you communicate success/impact to the public and Congress?
• Will you work with other NHAs to cross promote or build public support?
• THEN IMPLEMENT!

SHOW YOUR IMPACT

1. Management Plan Goal & Project matrix
2. Economic Impact study ($$)
3. 10-year report
4. Letters of Support

NPS GUIDANCE FOR REAUTHORIZATION SCENARIOS

• NHAs should prepare financially for different scenarios to ensure continuity of operations or respond to changes/gaps in appropriations.
• Diversify revenue streams to prepare and be sustainable as an organization.

SCENARIO A: NHA AUTHORIZATION IS COMPLETED = CONTINUITY OF FUNDING AND OPERATIONS

SCENARIO B: NHA SUNSETS = NO NEW FEDERAL FUNDING

• NHA will need to use remaining task agreement funding from prior years
• Leaner spending models due to lack of new federal funding—this will impact operations
• Diversify non-federal funding sources

SCENARIO C: NHA SUNSETS BUT IS FULLY SUSTAINABLE

• NHA will need to use remaining task agreement funding from prior years
• NHA is considered self-sufficient and sustainable
• Diverse non-federal fund sources exist for the NHA
