

PRESS RELEASE CREDIT CARD PAYMENTS

Great news for those individuals who have wanted to pay for their license plates by credit cards. Beginning Monday, September 28, 2009, the Park County Clerk's Offices, in Fairplay and Bailey, began accepting credits for motor vehicle transactions ONLY. Acceptable credit cards are VISA, MasterCard, and American Express. All credit cards transactions totaling \$10.01 and above will be charged a non-refundable portal administration fee of 2.7%, which is the vendor fee.

This service is provided by a third party vendor, Colorado Interactive, contracted by the State of Colorado at no cost to the County.
