Friday, 02/16/2018-Hwy 9, Fairplay-Failing to Stop for a Stop Sign leads to DUI and other charges

A Deputy driving north through Fairplay observed a vehicle fail to stop at the stop sign at Hwy. 9 and 4th St. A traffic stop was initiated and the driver appeared confused and stated he didn't have his driver's license with him. The Deputy detected the odor of an unknown alcoholic beverage and asked the driver to verbally provide his name and date of birth. The driver provided a first name and finally a last name, but refused to give his birthdate. When asked to perform voluntary Standard Field Sobriety Tests (SFST) the party failed to comprehend what was being explained to him and was eventually placed into custody. At the Park County Jail the party was fingerprinted to determine his true identity. Once the response came in from the Colorado Bureau of Investigation (CBI) it was found that the party had given a false name and had a Summit County warrant for Failure to Appear (FTA) and that his driver's license was suspended for no insurance. On the Intoxilyzer 2000 the driver registered a .101 BrAC (Breath Alcohol Content) and was charged with DUI; DUI per se; Disregarded Traffic Control Device; Driving Under Revocation-Suspended; Attempt to Influence a Public Official; False Reporting to Authorities and Obstructing a Peace Officer.

At approximately 09:30 on Saturday, February 17 a Deputy received a REDDI (**R**eport **E**very **D**runk **D**river **I**mmediately) regarding a vehicle travelling west-bound on County Road 43. The Deputy saw the suspected vehicle and developed his own Probable Cause (PC) for a traffic stop. When the Deputy activated his emergency lights and siren the vehicle initially began to stop, then swerved onto Shelton Dr. and then back onto CR 43. At this time the driver made an obscene gesture to the Deputy and turned onto CR 47. At about a mile in on CR 47 the driver made an abrupt U-turn and attempted to cause a head-on collision with the patrol car and then turned back onto CR 43. As the vehicle drove east on CR 43 his speeds varied between 76 and 83 mph until he reached the area of mile marker 2 where another Deputy was waiting with Stop Sticks. The Stop Sticks were successfully deployed and the vehicle came to a stop. The driver exited the vehicle and a foot pursuit took place. During this chase the driver performed some suspicious maneuvers with his hands and Deputies suspected that he may have had a weapon, but no weapon was located after he was captured. He was apprehended on Conestoga Rd and charged with Vehicular Eluding; Driving Under Restraint-Revoked Alcohol; Reckless Endangerment; Speeding (76 in posted 35); Resisting Arrest; Reckless Driving; Failed to Remain at the Scene; and Fictitious Plates.
